Call Number: DVD on order

Tangredi, Sam J. **Anti-Access Warfare: Countering A2/AD Strategies.** 2013. 306p.  
Call No: 359.422 T164a

"Tangredi's brilliant analysis of anti-access warfare cuts across both the history of

warfare and today's global space. It succinctly provides the tools we need to understand both the future of warfare and how crucial maritime capability will be to 'breaking the great walls' should that become necessary. Read it to see a chilling vision of the

potential future of combat in the global commons."

~~Adm. James Stravidis, USN (Ret.), former NATO Supreme Allied Commander Europe, dean Fletcher School of Law and Diplomacy, Tufts University
